

# Answering your needs

 **AIPHONE**

VIDEO DOOR ENTRY SYSTEMS

# What makes **Aiphone** special?

Aiphone's main strength, what sets us apart, is that we have 70 years of experience developing products based on feedback from installers and end users to develop products that are installer friendly and user friendly.

## **QUALITY**

With our build quality you can fit and forget with Call Button components **tested up to 100,000 times** and vandal resistant call points **IP54 rated**.

## **EXPERIENCE**

**Founded 70 years ago** on the principles of manufacturing quality products that are designed to be easy to install and even easier to use. This has led to Aiphone becoming the world's largest intercom manufacturer.

## **INNOVATION**

Our latest generation of intercom and video entry solutions have been developed as a direct result of feedback from our network of customers and business partners. **Our solutions are packed with innovative features, many unique to Aiphone.**

## **RELIABILITY**

Total Cost of Ownership and **on-site service** time minimised by robust and highly reliable products.

## WORLDWIDE

Aiphone's success is underpinned by reliable products and a commitment to provide the **highest levels of service to our business partners and customers.**

## WARRANTY

**Three year warranty** on all products as standard.

## DISTRIBUTION

**Available ex-stock** throughout the UK via selected Aiphone authorised distributors.

## RESPONSIVE

Part of a large group but with a small company mentality that ensures we have a **flexible and responsive** 'we are here to help' approach to everything we do.

## UK BASED

**State-of-the art office opened in West London** as a demonstration of our commitment to help our UK business partners win new business by providing unbeatable pre-sales and technical support.

## SUPPORT

Field based **sales support.**

# Take a close look at the **Aiphone** range...
