KA-DA

Color Video Door Station

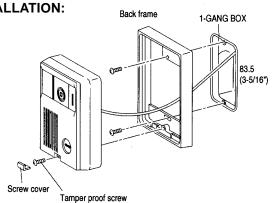

DESCRIPTION:

The KA-DA is a color video door station designed for use with the Aiphone KA series video entry system. It features a wide angle color CCD camera with built-in illumination for low light conditions. The call button on the KA-DA turns on the internal monitor and activates a four-stroke chime. Audio communication at the door station is hands free.

FEATURES:

- Weather resistant for outdoor use
- Wide angle color camera
- Call button rings chime at inside monitor
- Audio and video activate when door calls in
- Hands free communication when master answers
- Built-in illumination for low light conditions
- External light with automatic activation can be added
- Compact surface mount design
- Mounts to 1-gang box or ring
- Simple 2-wire hook-up
